

PRODUCT BOOK

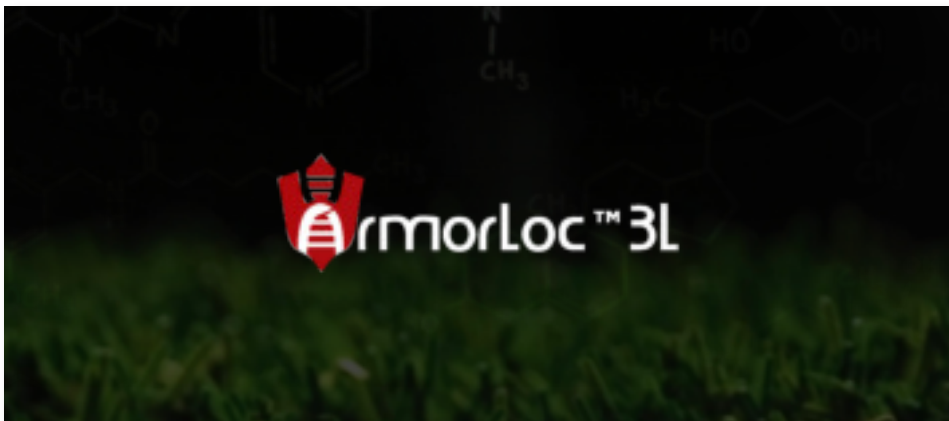

AGL ARTIFICIAL GRASS LIQUIDATORS®

We have upgraded our turf yarn quality on select products!

DuraBlade™ Technology

The molecular structure of DuraBlade™ Yarn Technology has a longer carbon chain which increases durability, resilience, temperature resistance and even the look and feel of the product.

- **Higher Durability**
2x more durable than the existing grades which means better resistance to heavy traffic.
- **Resilience**
Blades are stronger and resist flattening more than standard yarn.
- **Temperature Resistance**
Better protected against fading due to sun exposure.
- **Improved Look**
DuraBlade™ has a softer feel and more natural look compared to standard yarn.

ARTIFICIAL GRASS LIQUIDATORS ADVANCED TECHNOLOGY

OPTIMUM FLOW™

Optimum Flow™ is our non-perforated backing that will drastically affect the drainage efficiency of your turf. With the new patent-pending Optimum Flow™ backing that **increases the drainage rate by approximately 830%**, the turf will be cleaner, drier, and free from any unpleasant pet odors.

SILVERBACK™

The Silverback™ coating system takes advantage of **the most advanced technology in the coating industry**. Engineered with quality in mind. From the polyurethane chemistry to the application. Features technologically advanced chemistry, focused on offering only the highest quality components to create the best coating system.

ARMORLOC 3L™

ArmorLoc™ 3L utilizes a completely woven foundation to deliver **the world's strongest artificial turf system**. The primary backing plays a very important role in the overall design of an artificial turf system. ArmorLoc™ 3L is non-directional, self-healing, and so stable that it is guaranteed not to have excess movement.

AGLPRO 48

Total Weight Approximately 46 ounces	Yarn Quality C6
Pile Height Approximately 1.37 inches	Infill Amount 1 pound per square foot
Backing Latex	Warranty 4 Years
Stock Yarn / Shape Polyethylene - Mini C	Roll Size 12 x 100 feet max.

Pro 48 will add a quality feel and look to your space, while also keeping the cost down. The pine-green and bamboo-green coloring will give your yard a natural complexion, as well as keep it looking fresh and new every day.

AGLPRO 52+

Total Weight Approximately 56 ounces	Yarn Quality DuraBlade™
Pile Height Approximately 1.34 inches	Infill Amount 1 pound per square foot
Backing Polyurethane	Warranty 16 Years
Stock Yarn / Shape Polyethylene - Mini C	Roll Size 12 x 100 feet max.

Pro 52+ contains a classic look that is perfect for any landscapes. This pine and olive green synthetic turf is soft with a very organic complexion, and has been made for those looking for a naturalistic grass at an affordable price.

AGLPRO 69+

Total Weight Approximately 73 ounces	Yarn Quality DuraBlade™
Pile Height Approximately 1.5 inches	Infill Amount 1.0-1.5 pounds per square foot
Backing Polyurethane	Warranty 16 Year
Stock Yarn / Shape Polyethylene - Wave	Roll Size 15 x 100 feet max.

Pro 69+ has been designed to handle both indoor and outdoor use with moderate traffic. This deep green and olive colored, well-balanced product makes it ideal for a large array of applications.

AGLPROFORM⁵⁰⁺

Approximately 1.5 inches

Backing

Polyurethane

Stock Yarn / Shape

Polyethylene - Wave & C

Yarn Quality

DuraBlade™

Infill Amount

1.0-1.5 pounds per square foot

Warranty

16 Year

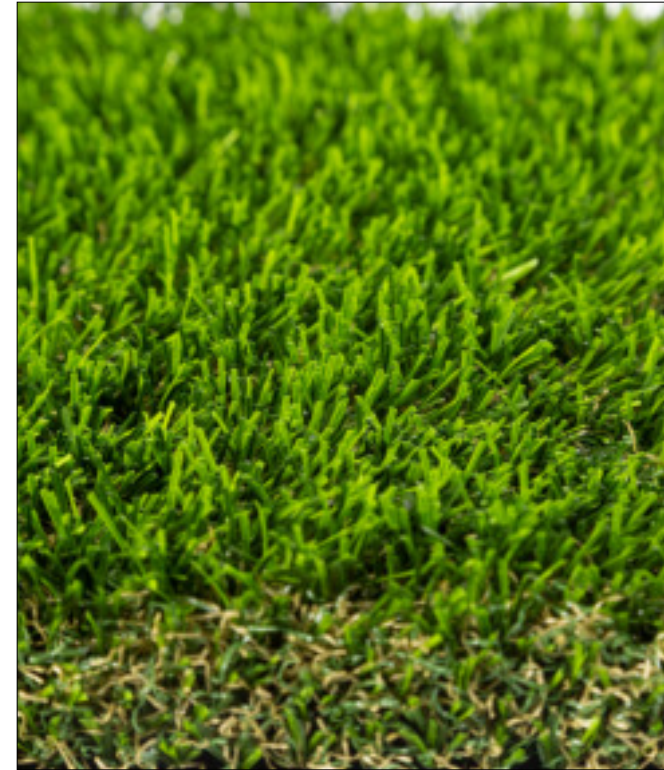

Roll Size

15 x 100 feet max.

Pro 70 Natural is a budget-friendly option while still having a real look and feel. This product showcases a mix of summer, emerald and beige blade colors. Each blade having a distinct shape and color makes for a natural look.

AGL PRO 80+

Total Weight

Approximately 84 ounces

Pile Height

Approximately 1.77 inches

Backing

Polyurethane

Stock Yarn / Shape

Polyethylene - C

Yarn Quality

DuraBlade™

Infill Amount

1.5-2.0 pounds per square foot

Warranty

16 Year

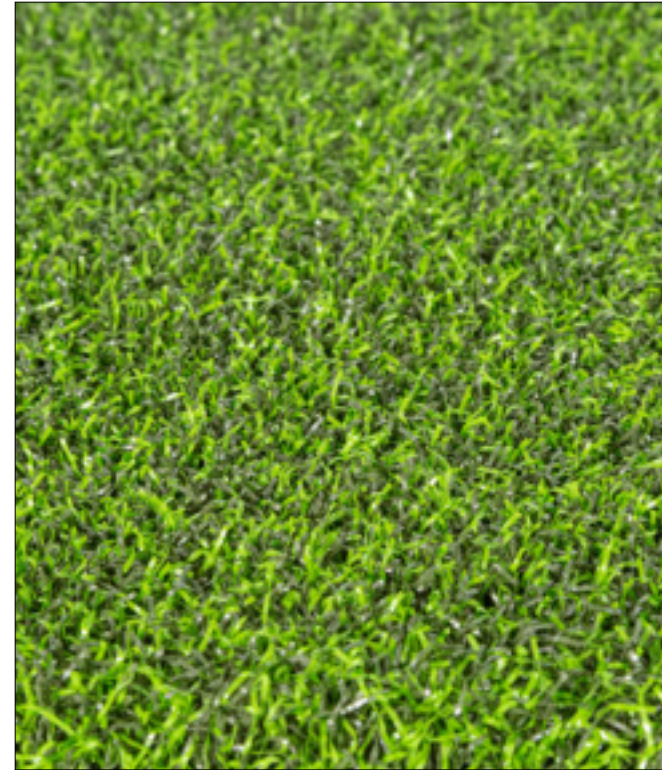

Roll Size

15 x 100 feet max.

Pro 80+ is a very plush turf with blades that give off the look of a well-groomed, neighborhood lawn. The taller field and lime green blades make for a soft look and a padded feel. This synthetic turf is recommended for moderate traffic and will look great in any application.

AGL PROPUTT⁵⁵

Total Weight

Approximately 85 ounces

Pile Height

Approximately 0.7 inches

Backing

Polyurethane

Stock Yarn / Shape

Textured Polypropylene

Application

DuraBlade™

Infill Amount

1.5-2.0 pounds per square foot

Warranty

16 Year

Roll Size

15 x 100 feet max.

Pro Putt 55 has a ball roll performance like a professional green while still remaining budget friendly. This artificial putting green can be used both indoors and outdoors. No matter where you use it, the two-tone flower and lime green coloring will make for an attractive look.

AGL HYBRID 59

Total Weight Approximately 79 ounces	Yarn Shape Slit & V
Pile Height 2.0 inches	Infill Amount 2 lbs Sand / 2 lbs Rubber
Backing Polyurethane	Warranty 8 Year Sports Warranty
Stock Yarn Mono & Filibrated Polyethylene	Roll Size 15 x 183 feet max.

Hybrid 59 has a dual purpose, looks and performance. Equipped with mono-filament yarn giving the turf a lush look, and a slit-filament yarn creating a strong blade pull. The vibrant emerald and lime green turf requires minimal infill migration, keeping maintenance very low. This turf is your ideal product for a playing field or even a backyard that gets tough wear and tear.

AGL PRO 92+

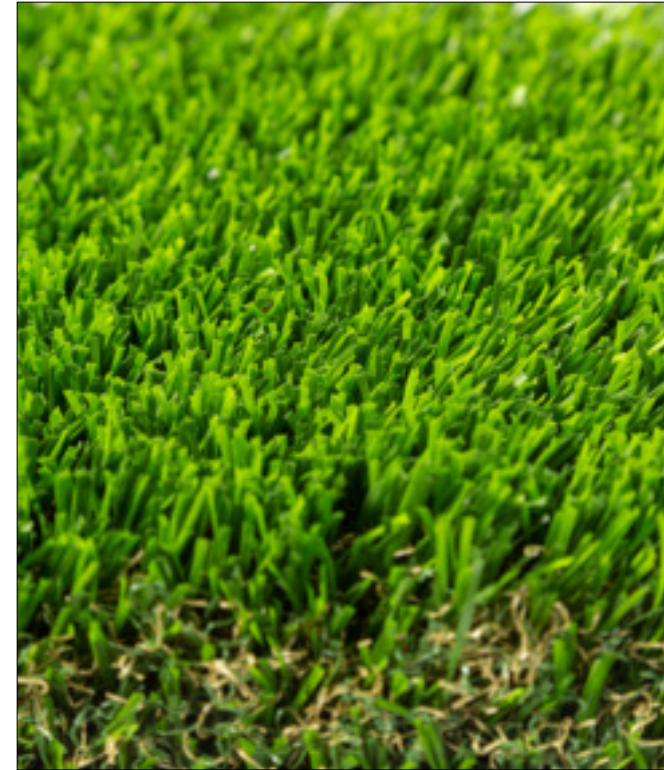

Total Weight Approximately 96 ounces	Yarn Quality DuraBlade™
Pile Height Approximately 2.0 inches	Infill Amount 1.5-2.0 pounds per square foot
Backing Polyurethane	Warranty 16 Year
Stock Yarn / Shape Polyethylene - C	Roll Size 15 x 100 feet max.

Pro 92+ is high-quality turf recommended for high-traffic. The jade and olive green blades have a natural coloring that can be installed in any neighborhood in any state. Whatever application you choose to use Pro 92+ it will look luxurious and natural while still being affordable.

AGLPRO 100+

Total Weight Approximately 96 ounces	Yarn Quality DuraBlade™
Pile Height Approximately 2.0 inches	Infill Amount 1.5-2.0 pounds per square foot
Backing Polyurethane	Warranty 16 Year
Stock Yarn / Shape Polyethylene - Wave	Roll Size 15 x 100 feet max.

Pro 100+ is ideal for moderate to heavy traffic. The emerald and lime green blades gives it a quality look, resembling a well-maintained landscape. This product will leave your neighbors perplexed by its constant appearance of a carefully-groomed yard.

AGLPRO 84+

Total Weight Approximately 108 ounces	Yarn Quality DuraBlade™
Pile Height Approximately 2.0 inches	Infill Amount 1.5-2.0 pounds per square foot
Backing Polyurethane	Warranty 16 Year
Stock Yarn / Shape Polyethylene - Mini W	Roll Size 15 x 100 feet max.

Pro 84+ is built with blades that will stand tall over time. You can walk on this heavy traffic product all day and it will bounce back, always looking plush. This artificial turf has pine and bamboo green coloring and has the appearance of freshly-mowed lawn.

Veridian

PUTTING GREEN

Total Weight Approximately 57 ounces	Application Putting Green
Pile Height Approximately 9/16 inches	Infill Amount 2.0-3.0 pounds per square foot
Backing Silverback™ / ArmorLoc™ 3L	Warranty 16 Year
Stock Yarn / Shape Textured Polypropylene	Roll Size 15 x 100 feet max.

Veridian is the king of putting turfs. The ball roll is almost as if you were at a professional golf course. The beautiful veridian green color looks like a top-tier putting green. This putting green can be installed indoors, outdoors and even over concrete!

CLOUD NINE

Total Weight

Approximately 95 ounces

Pile Height

Approximately 1.625 inches

Backing

Optimum Flow™

Stock Yarn / Shape

Polyethylene - Diamond

Origin

Made in the U.S.A.

Infill Amount

1.0 pound per square foot

Warranty

16 Year

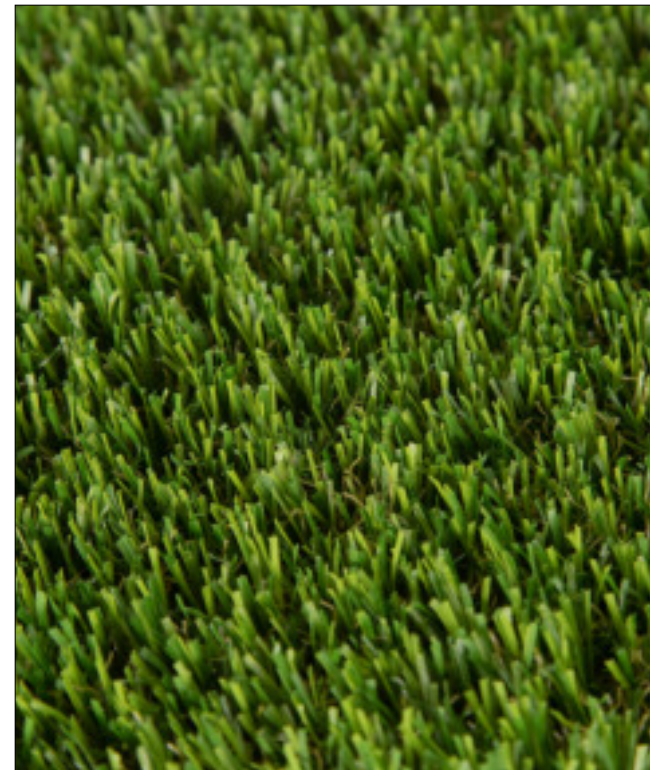

Roll Size

15 x 100 feet max.

Cloud Nine is the most luxurious and softest turf we offer. The plush field and apple green blades look amazing but also feel as if you are walking on a cloud. The optimum flow technology integrated in the backing is perfect for pets and general clean up. The drainage rate is extremely fast and makes for the ideal high-traffic product.

HYDRO 75 OLIVE

Total Weight

Approximately 75 ounces

Pile Height

Approximately 1.5 inches

Backing

Optimum Flow™

Stock Yarn / Shape

Polyethylene - W

Origin

Made in the U.S.A.

Infill Amount

1.0 pound per square foot

Warranty

16 Years

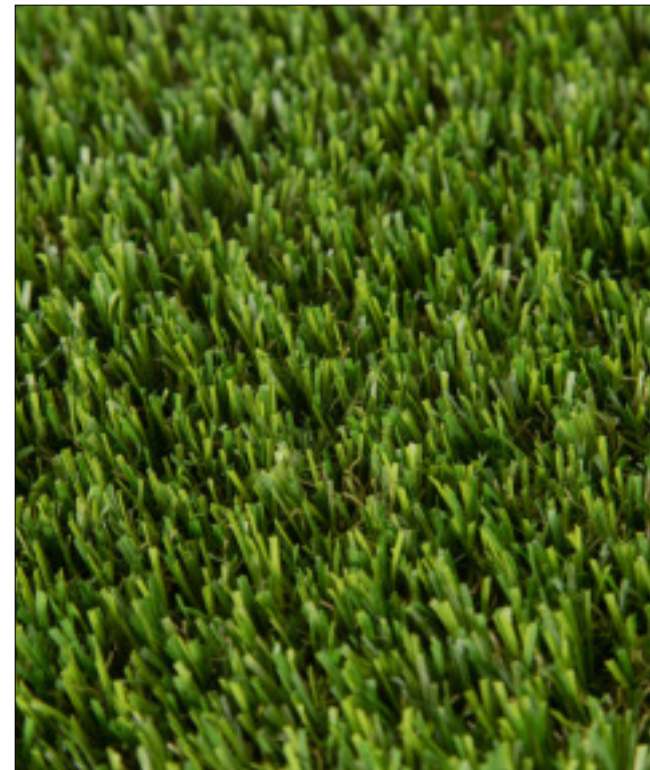

Roll Size

15 x 100 feet max.

Hydro 75 Olive is equipped with Optimum Flow™ technology for exceptional drainage. Hydro 75 Olive is our preferred product for pet applications due to its permeability and slightly stiffer blade structure, which makes cleaning a breeze. Hydro 75 is also perfect for landscape, putting fringe, and anywhere else a medium density product is needed.

HYDRO 98 OLIVE

Total Weight

Approximately 98 ounces

Pile Height

Approximately 2.0 inches

Backing

Optimum Flow™

Stock Yarn / Shape

Polyethylene - W

Origin

Made in the U.S.A.

Infill Amount

1.0 pound per square foot

Warranty

16 Years

Roll Size

15 x 100 feet max.

Hydro 98 Olive offers a taller pile height with a tough blade structure, to imitate a lush, beautiful natural lawn. The Optimum Flow™ technology facilitates up to 8X faster drainage than a standard punch hole backing. Hydro 98 Olive is perfect for most all applications and is preferred for pet and high-traffic areas.
